### **APPEAL/PETITION FORM (POLICY 3115) REGARDING A DECISION AFFECTING A HOMELESS STUDENT**

In the event a homeless student and/or his/her parent(s)/guardian(s) has a complaint regarding the school of placement, the student shall attend the school in which they sought enrollment while the dispute is being carried out.

Given that the homeless liaison for Wahkiakum School District is the superintendent, the appeal shall be made to the building principal of the school in which they sought enrollment. This form may be used as the Appeal/Petition Form.

Nature of complaint – Use another sheet of paper if necessary.

Within five working days of receiving the complaint, the principal must provide the parent with a written decision and notification of the parent’s right to appeal. If the parent wishes to appeal, notification must be made to the superintendent within ten business days of receipt of the principal’s decision. Should that be the parent’s desire, the parent can simply present a copy of this original Appeal/Petition form along with any other information that it believes might shed new light on the situation. The superintendent will arrange to meet with the parent within five business days of receiving the appeal, and make a decision within the next five business days. In the event the parent is not satisfied with the decision of the superintendent, the parent will have the right to appeal to OSPI. In order to do so, the parent must notify the district superintendent of his/her desire to appeal to OSPI within ten business days after receiving the superintendent’s decision.
