

Release of Student Directory Information

The District is prohibited from releasing any personally identifiable records or files about an individual student without written parental consent. However, the District may release a list of students belonging to a group (e.g. graduating seniors). A student's name will be excluded from a listing of students upon written request by a parent.

Information in a list may include the student's name, address, and telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. The District may also release photos of students for public information purposes.

Parents have the right to request that any or all of these categories of information, including personally identifiable photographs, not be released without their prior consent. Parents desiring to make such a request should put their request in writing to the Superintendent of the District.
