Wahkiakum School District Highly Capable Program Descriptions

Definition: Highly capable students are students who perform or show potential for performing at significantly advanced academic levels when compared with others of their age, experiences, or environments. Outstanding abilities are seen within students' general intellectual aptitudes, specific academic abilities, and/or creative productivities within a specific domain. These students are present not only in general populace, but are present within all protected classes. For district identification purposes, students who score in the 97th percentile or above on a norm-referenced and standardized intelligence quotient assessment will be identified for the Highly Capable program.

Referral Process

Who can initially refer students to highly capable testing?

Anyone may refer a student for testing for the Highly Capable Program. Referrals can come from parents, teachers, school specialists, friends, family, community members, or even the student themselves. These forms are attached to this document and available at <http://www.wahksd.k12.wa.us>.

Referral Timeline

The referral forms (attached) for the 2015-16 school year placements are available on line or in each school office.

Parent Referral Forms and Permissions

All parents (if not the originator of the referral form) must complete a Referral Form and give permission for the student to be tested and potentially placed in Highly Capable Programs. The form is attached to this handout and available on-line.

Teacher Referrals & Feedback Forms

Teachers complete a *Teacher Referral & Feedback Form* for every one of their students that have been referred for testing. These are available online or in each school office.

All referral forms, parent permissions and teacher referral forms are due to the school office by March 15, 2015 for the next school year.

Screening, Assessments & Selection Process

Screening: Students nominated for highly capable programs use one or more of the following:

- **Achievement Test Scores**
 - **Grades K-2:**
 - Teacher Referral, CogAT Screener, Assessment Data
 - **Grades 3-12:**
 - District and Statewide assessments: students must meet or exceed standard.
- **Creativity:** Creativity is assessed via Renzulli-Hartman scale that is completed as part of the teacher feedback form.

Assessment: Students identified during the screening process will participate in the CogAT Assessment.

- **Cognitive Abilities Test (CogAT):** Qualifying students score at the 97th percentile or above on composite score **or** 97th percentile and above on non-verbal and quantitative clusters for English language learners.

Selection: A *Multi-Disciplinary Team* consisting of teachers, school administrator, and school psychologist/building assessment coordinator or other qualified practitioner trained in the interpretation of assessment results is convened to review the above mentioned data and make final selection decisions.

Testing Process & Testing Dates (for 2015-2016 Placement)

Grade K-12: Testing will take place during the middle of May through the middle of June.

Notification

Student's work on the CogAT will be submitted on the day of testing. Once results arrive in the district, the **Multi-disciplinary Team** must meet to review results and make placement decisions. Schools and parents are tentatively scheduled to be **notified via mail or phone by the end of June**. Once a student has qualified for highly capable programs, they do not need to test again. If parents have any questions about placement, they are directed to call Stephanie Leitz at 360.795.3271.

Appeals

Appeals: Appeals are considered annually for students who did not meet the criteria. The **Multi-disciplinary Team** will examine provided evidence of high ability and need for program placement. Parents must contact the Highly Capable office at (509) 836.8732 to receive an appeal form. **The deadline for appeals is 10 school days after receipt of the placement notification letter.**

Outside testing: Private testing as well as testing from other districts is accepted for appeal review.

Transfer Students

Students who transfer in from out-of-district and have qualified in their former districts highly capable program **are not** automatically enrolled. Test scores and placement letters from the students' previous district may be used as long as they meet the placement criteria for the Wahkiakum School District.

Note: When a student, who is a child of a military family in transition, has been assessed or enrolled as highly capable by a sending school, the receiving school shall initially honor placement of the student into a like program.

Characteristics of Gifted Children

Observing gifted characteristics is often difficult when we are dealing with obviously bright children. The chart below is helpful in seeing the subtle differences between the bright child and the gifted learner.

Bright Child	Gifted Learner
Knows the answers	Asks the questions
Is interested	Is highly curious
Is attentive	Is mentally and physically involved
Answers the questions	Discusses in detail, elaborates
Top group	Beyond the group
Listens with interest	Shows strong feelings and opinions
Learns with ease	Already knows
6-8 repetitions for mastery	1-2 repetitions for mastery
Understand ideas	Constructs abstractions
Enjoys peers	Prefers adults
Grasps the meaning	Draws inferences
Is receptive	Is intense
Copies accurately	Creates a new design
Enjoys school	Enjoys learning
Absorbs information	Manipulates information
Technician	Inventor
Good memorizer	Good guesser
Enjoys straightforward, sequential presentation	Thrives on complexity
Is alert	Is keenly observant
Is pleased with own learning	Is highly self-critical

What Does Highly Capable Mean?

Being Highly Capable means having extraordinary ability or potential in intellect, academic aptitude or creative thinking.

Some examples include:

- * Advanced vocabulary
- * Curiosity (asks endless questions)
- * Sophisticated sense of humor
- * Experiments with ideas
- * Advanced creativity
