### How to Keep Your Child's Lunch Account Up-to-Date

Please remember that the best time to put money into your child's lunch account is before school between 8:00 and 8:30 in the cafeteria. We do remind students when their account is getting low, but you can also check your balance on [Family Access](#).

### Qualifying for Free / Reduced Breakfast and Lunch

If you have not been given a form to see if your family qualifies for free/reduced breakfast and lunch, please let the office know and we will get the paperwork to you. If you need assistance with the paperwork, Krista in the kitchen will be happy to help you.
