Approve the purchase of a 2017 Ford Transit van

- Motion Language: I move the board to approve the purchase of a 2017 Ford Transit van for \$28,432.34

Approve the adoption of Board policy 3211 along with the subsequent procedures. Be it further moved that the board amend the policy with the following statement:

Washington State law requires that every local education agency (LEA), including all public school districts, adopt gender-inclusive policies and procedures that, at a minimum, fully align with the Washington State School Directors' Association (WSSDA) model policies and procedures, specifically numbered 3211 and 3211P.

The Wahkiakum School District (WSD) recognizes that this state mandate effectively removes "local control" from the district's elected board of directors regarding the content and implementation of policy 3211 and procedure 3211P.

In summary, WSD must adhere to Washington State law and implement the required gender-inclusive policies and procedures, as local boards no longer have the authority to modify or opt out of these state-mandated standards.
