"...I find Johansson Wing to take the time to understand the vision and goals of the project while also providing a consistent high level of service and communication to the client and project team. Even as issues arose on the various projects we have worked on together, JW was actively engaged in finding solutions that will have the least amount of on the project, while still maintaining the intent and spirit of the original vision."

~MARK MILLER,  
DIRECTOR OF PLANNING AND DEVELOPMENT  
PORT OF CAMAS/WASHOUGAL
