

# Johansson Wing Architects

## OUR FIRM:

Johansson Wing Architects has made deliberate effort to work successfully across a wide range of project types in order to utilize our individual and collective skills, knowledge, and experience. While our primary design experience is vast in Industrial, Educational, and Public Works projects, the united diversity of experience with other project types has allowed us to apply lessons learned and knowledge gained from one project to others. This provides added value to our clients program.

## What we can do for you:

- ◆ Help Program your project vision
- ◆ Develop Facility Assessments / Assist with Long Range Planning
- ◆ Assist with Community Engagement
- ◆ Provide Master Planning
- ◆ Provide Quality Design and Accurate Construction Documents
- ◆ Assist and provide Bidding guidance
- ◆ Assist Clients navigate the permitting processes
- ◆ Provide Contract Administration services through Construction
- ◆ Provide continuous architectural resource beyond completion and occupancy

## OUR PROMISE ...

*...to be your advocate, clearly communicate, and be available for you and your project needs*

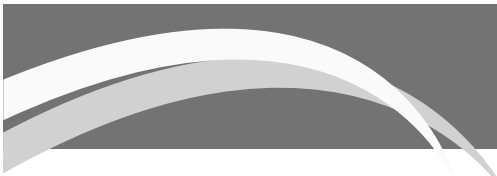

### **Realistic/Reliable/Responsive**

***With your scope, schedule and budget in mind, we will deliver optimal design to meet your needs. (ego not included)***
